#### **Observations**

Whilst at school staff will carry out observations on your child using Tapestry in line with Ofsted requirements. This helps staff to establish what developmental stage a child is at and determine if learning objectives and aims are met. All observations are carried out without any hindrance to the child and are confidential. They enable us to provide detailed feedback about your child's progress. Parents are able to view their child's learning journey at any time.

I/We give consent for the staff to make observations and record details confidentially for record keeping in his/her online learning journey.

Signature.....

To be signed by people who have parental responsibilities for the named child.
