

Our Priorities 2026–27

Aspire • Care • Succeed

This year we are building on what works well and focusing on five areas that will make the biggest difference to children's learning, confidence and sense of belonging.

01

Writing

Confident, purposeful writers

We are strengthening the teaching of writing, vocabulary and speaking so children can communicate ideas clearly and write effectively across the curriculum.

WHAT THIS MEANS FOR YOUR CHILD

Your child will get more opportunities to talk through ideas, learn ambitious vocabulary and improve writing through purposeful feedback.

02

Coaching

Great teaching, every day

We are investing in staff coaching, professional learning and leadership so effective classroom practice becomes even more consistent across the school.

WHAT THIS MEANS FOR YOUR CHILD

Your child will benefit from teachers learning together, refining their practice and responding closely to pupils' needs.

03

Inclusion

Every child known and supported

We will identify barriers early and strengthen language, reading fluency, attendance and adaptive teaching, particularly for pupils who need additional support.

WHAT THIS MEANS FOR YOUR CHILD

Your child will be supported to access an ambitious curriculum, participate fully and grow in independence.

04

Assessment

Know more • Remember more • Do more

We are refining assessment so teachers can see what children understand, spot misconceptions quickly and adapt teaching to secure learning over time.

WHAT THIS MEANS FOR YOUR CHILD

Your child will understand what they are learning, what success looks like and the next steps that will help them improve.

05

Belonging

Safe • Valued • Connected

We are strengthening belonging, relationships and community through pupil voice, RSHE, Global Citizen learning, pupil leadership and shared responsibilities.

WHAT THIS MEANS FOR YOUR CHILD

Your child will have opportunities to contribute, develop resilience and responsibility, and feel an important part of our school community.

Our shared aim

Every child supported to be the best that they can be.

We will review progress throughout the year and share updates with our school community.
