National Citizen Service

NCS was designed for 16 and 17 year olds.

They aim to engage, unite and empower young people. The project will allow young people to mix with other peers, take on challenges, gain independence and pick up new skills.

It gives young people a platform to get their voice heard, pursue a passion project and create a lasting impact in their local community.

Web: <https://wearencs.com/>

Access the NSC website and search for the young person's school to find out what projects are currently on in their local area.

Bucks Online Directory

Bucks Online Directory (BOD) enables users to find activities and organisations in Buckinghamshire. It allows for the search to be narrowed depending on identified vulnerabilities, access needs, ages and days the activities run.

The BOD includes sections for general 'things to do', advice and support, education and learning, staying active and environment.
