Welcome

Mrs Macdonald welcomed everyone to the meeting. Everyone confirmed that they were happy to hold meetings virtually via MS Teams during the Government restrictions in place re the Covid pandemic.

The Minutes from the last meeting on 31 January 2020 were agreed and had been published on the School website.

Agenda

- Morning arrangements – which parts are working well?
- Homework
- Ofsted Update
- Website – please have a look at the changes we have made

Start and End of Day Arrangements

The changed times for KS1 were noted and feedback was requested on how these were working. This feedback was generally positive

The small patch of grass by the KS1 entrance had been dug out and re-filled as it had been very muddy.

The area for storing KS2 bikes had moved and the school was looking at alternative arrangements for KS1 bikes in the light of the new drop off and collection arrangements. Comments and suggestions from parents would be welcome.

Home Learning

The re-introduction of learning grids was requested and this would be actioned.

Concern was expressed that reading logs were not being written in. Mrs Macdonald would talk to the staff about this.

Mrs Macdonald

Ofsted Update

Plan on a page had been added to the website to provide an update to parents and would replace separates reports.

Mrs Macdonald thanked everybody for their time and input at the meeting.

Next meeting: 27 November 2020, 2.00 pm
